WHY HN CONSULTING

HN Consulting LLC (HNC) is a Small Disadvantaged Business (SDB) and a Virginia certified Small, Women, and Minority-owned business (SWaM). HNC is a process- and value-driven consulting and information technology management company.

We provide government agencies and commercial firms with program office support, information technology expertise, audit, and public relations. HNC staff have supported the Departments of Defense, Homeland Security, Labor, State, and other key federal agencies.

HNC cleared and certified staff (e.g., PMP, CSM, CSPO, MCTS, CAP, CISSP) provides quality in-depth expertise and services tailored to support client needs. As a small business, HNC offers clients competitive rates without the overhead of some larger organizations. HNC provides clients maximum value in every contract.
